Remind Text Messaging Service

Stay informed at the Kaiserman JCC 

We use a new communication tool called REMIND that helps us connect instantly with members through quick, simple text messages. We use this as a way of communicating important information like a late opening due to snow.

If you want to receive texts, register by texting the phrase @thejcc to 81010

Once you send the text you will then be prompted to enter your full name. Because this system was originally designed for schools, you then will be asked to select student, teacher or parent. Select parent. It will then instruct you to download the Remind app. This is not necessary but helpful.

You may unsubscribe from the service at any time by texting the word unsubscribe to 81010
