

# Robert J. Wilf PRESCHOOL & KINDERGARTEN

@ the Kaiserman JCC

## Tammy's Four Year Old Class Information 2020-2021

Our program provides a fun and stimulating learning environment that prepares the children for kindergarten. Our teachers encourage social skill development with imagination and creativity. Through interactive play, fun activities and a wide range of interest areas your child will develop the skills necessary for kindergarten and beyond. Teachers use an emergent curriculum which permits learning activities that arise from each child's interests, encouraging feelings of security and confidence in an age-appropriate atmosphere where each child feels free to explore, play, observe, question and make discoveries. Learning activities and children's experiences also align with the Pennsylvania Early Learning Standards. Children learn about Jewish customs, traditions, holidays, and they develop a connection to the Land of Israel and its people. Tzedakah and Mitzvot, charity and kindness are two major concepts that guide our Jewish learning. This class goes outside once or twice everyday (weather permitting), enjoys lots of stories and songs during circle time, participates in weekly music class, gym class and creative movement. This class will celebrate Shabbat in the classroom. We look forward to having a whole school Shabbat celebration again.
