

Youth Sports

Kids Basketball

Winter 2018

Winter Classes In these classes, children learn and practice the fundamentals of Basketball in a non-competitive environment. The classes are fun and challenging. Basic skills and rules are taught in a structured, age appropriate environment. Classes are taught by certified Physical Education teacher, Lori Hummel. Lori has over 30 years of experience in teaching children sports basics. Lori's fun and caring personality makes her classes the perfect start to an athletic career.

Basketball Mini-Camp Our intensive four week mini-camps were created to give your child a conducive and fast-paced environment to form the proper building blocks that will allow for them to become a successful basketball player and teammate. We will start with the fundamentals and build upon those so that your child can become a well-rounded player. Classes are taught by Health and Recreation Program Director, Sam Schuman.
