

## **JCCs UPhil Forum: Youth Philanthropy in Action**

**Join us and find out where “U” fit in**  
Philanthropy, Philadelphia and Filling a need

**Kids:** Want to make a difference in the world? Can one person matter? Yes, and we will show you how. Set up your own personal philanthropic account to use over your life time to fund projects that speak to your heart!

**Parents:** This program teaches about activism, engagement and communal needs and sets the tone for life-long involvement with the community. Participants will understand the variety of communal needs and the responsibility of the community to meet those needs. Through their personal philanthropic accounts, your child will redefine their understanding of tzedakah so that they realize that it involves action, not just the giving of funds.

**Requirements:** Agreement from kids (with parental approval) to donate \$180 from your bar/bat mitzvah gifts to set up your own personal philanthropic account. This \$180 will be matched by donor funds so you will have \$360 to begin your philanthropic journey. Be one of the first 50 kids to sign up and become a UPhil Fellow. **(Limited to 50 kids so don't delay) Register now by faxing the attached form back today!!!**

**Date:** March 25, 2007

**Place:** Kaiserman JCCs, City Line and Haverford Avenue  
(Carpools arranged and questions answered, call 215 446-3040 for details)

**Time:** 2:00 - 4:00  
(Bagels and snacks provided; come directly from Hebrew School, it will be fun)

**What to bring:** \$1 in an envelope marked “allocations pool” for a group project, and ask your parents to join us for the final ½ hour of the presentation so they can learn about the nuts and bolts philanthropic account details....also include your email address and screen name so we can communicate with you.

Stay tuned for info about the UPhil Forum Part II and other hands on opportunities.
